

As Came To Know It: A Profound Journey into the Heart of the Cosmos

As Came To Know It is a book that will change the way you see the world. It is a profound and deeply insightful exploration of the nature of reality, consciousness, and the human experience. Written by a renowned physicist, cosmologist, and philosopher, As Came To Know It is a masterpiece of scientific and spiritual inquiry.

The book begins with a simple question: what is the nature of reality? As the author explores this question, he takes us on a journey through the history of science and philosophy, from the ancient Greeks to the modern era. He shows us how our understanding of reality has evolved over time, and how it is still constantly changing.
