China Modern History 1949 2024 In Life Story is a comprehensive and engaging account of China's recent history, told through the lives of ordinary people.

The book begins with the founding of the People's Republic of China in 1949 and follows the country's development over the next seven decades, through periods of great change and upheaval.

The book is based on interviews with over 100 people from all walks of life, including farmers, workers, students, and government officials. These interviews provide a unique and personal perspective on China's recent

history, and offer insights into the lives of ordinary people during a time of great change.

China Modern History 1949 2024 In Life Story is a valuable resource for anyone interested in China's recent history. The book provides a comprehensive overview of the country's development over the past seven decades, and offers a unique and personal perspective on the lives of ordinary people during a time of great change.
