Join the fabulous Fancy Nancy as she embarks on an out-of-this-world adventure in *Fancy Nancy Sees Stars*, a captivating leveled reader perfect for beginning readers.

When Nancy receives a special invitation to attend a stargazing party at the planetarium, she is beyond thrilled. She has always dreamed of seeing the stars up close, and now her wish is about to come true.

Armed with her trusty telescope and an abundance of enthusiasm, Nancy and her best friend Bree set off on their adventure. As they arrive at the planetarium, Nancy is amazed by the giant dome and the twinkling lights that adorn the ceiling. She can't wait to see what secrets the night sky holds.

Guided by the friendly astronomer, Nancy and Bree learn about the constellations, the planets, and the vastness of space. Nancy is fascinated by the beauty and wonder of the universe. She discovers that there are billions of stars, each with its own unique story to tell.

As the stargazing party reaches its end, Nancy realizes that her world has been forever changed. She has developed a newfound appreciation for the wonders of space and a deep sense of gratitude for the beauty that surrounds her.

Fancy Nancy Sees Stars is a delightful and inspiring story that encourages children to explore the world around them with curiosity and wonder. It is a perfect book for beginning readers who are eager to expand their knowledge of the universe.

What makes *Fancy Nancy Sees Stars* a great choice for beginning readers?

- **Simple and engaging text:** The text is written in clear and concise language, making it easy for beginning readers to follow along.
