In *Native American Mythology*, renowned author and scholar Dr. Joseph Bruchac presents a comprehensive and engaging exploration of this fascinating subject. Through captivating storytelling and stunning visuals, Bruchac transports readers to a world filled with ancient wisdom, powerful deities, and enduring legends.

This book is divided into four parts, each of which focuses on a different aspect of Native American mythology:

- **The Creation of the World:** This section explores the various creation stories of Native American cultures, from the Navajo story of Changing Woman to the Iroquois story of Sky Woman.
- **The Supernatural Beings:** This section introduces readers to the many different types of supernatural beings that appear in Native American mythology, including gods, goddesses, spirits, and animals.
- **The Sacred Ceremonies:** This section describes the various sacred ceremonies and rituals that are practiced by Native American cultures, including the Sun Dance, the Ghost Dance, and the Vision Quest.
- **The Hero Twins:** This section tells the story of the Hero Twins, two brothers who are often found in Native American mythology. These twins are typically associated with the sun and the moon, and their stories often involve their battles with evil forces.

Native American Mythology is a beautifully illustrated book that features over 100 stunning photographs and illustrations. These images bring the stories to life and help readers to visualize the characters and settings. The book also includes a glossary of terms and a bibliography for further reading.

Whether you are a student of Native American culture, a fan of mythology, or simply looking for a good read, Native American Mythology is a book that you will not want to miss. This book is a valuable resource for anyone who wants to learn more about the rich and diverse mythology of Native American cultures.

Reviews
