The NFL has been searching for the next great quarterback for years. Who will be the next Tom Brady or Peyton Manning? This article takes a look at some of the top candidates and what they need to do to reach the next level.

Patrick Mahomes

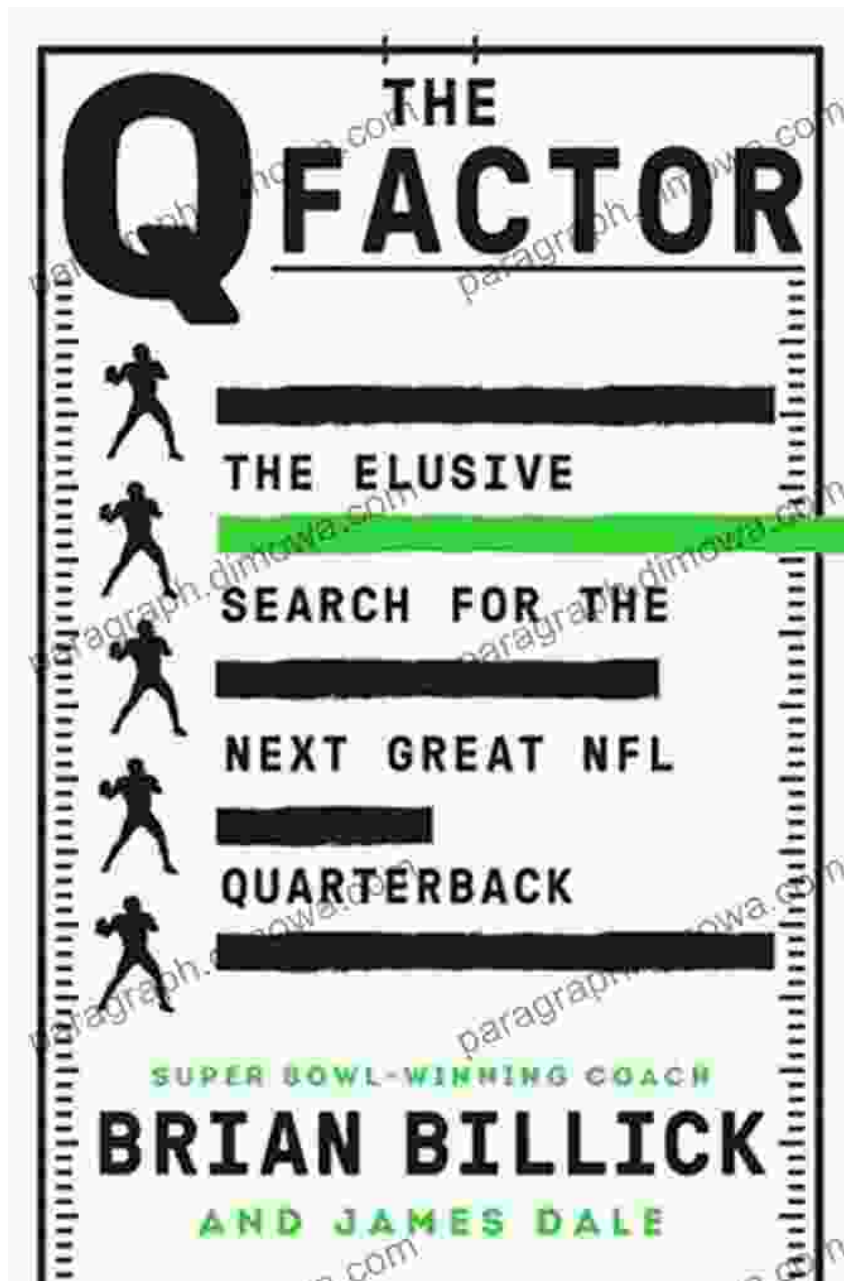

Patrick Mahomes is the most talented quarterback in the NFL. He has a cannon for an arm and can make all the throws. He is also a very good runner. However, Mahomes needs to improve his decision-making and avoid turnovers. If he can do that, he has the potential to be the best quarterback in the NFL.

Deshaun Watson

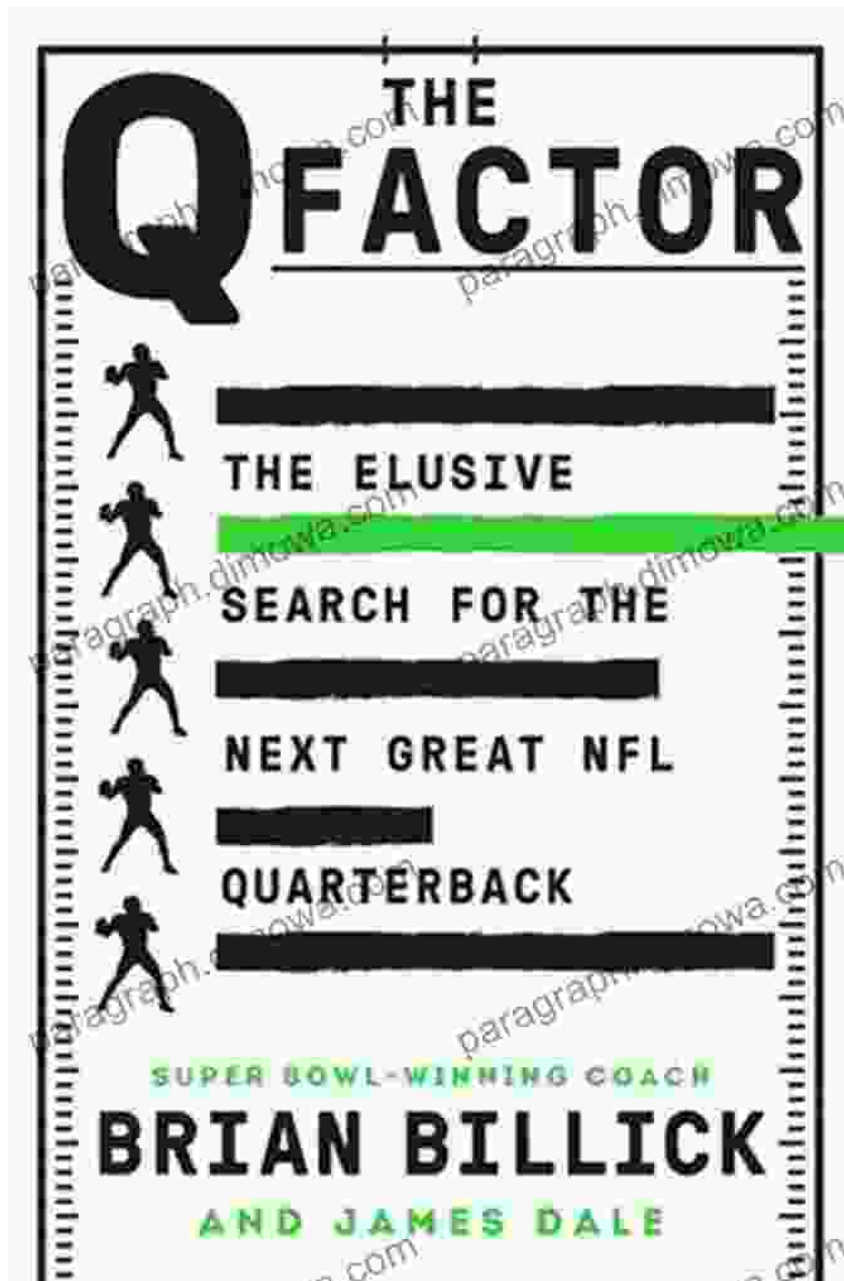

Deshaun Watson is another young quarterback with a lot of potential. He is a very good runner and has a strong arm. However, Watson needs to improve his accuracy and consistency. If he can do that, he has the potential to be a top-five quarterback in the NFL.

Kyler Murray

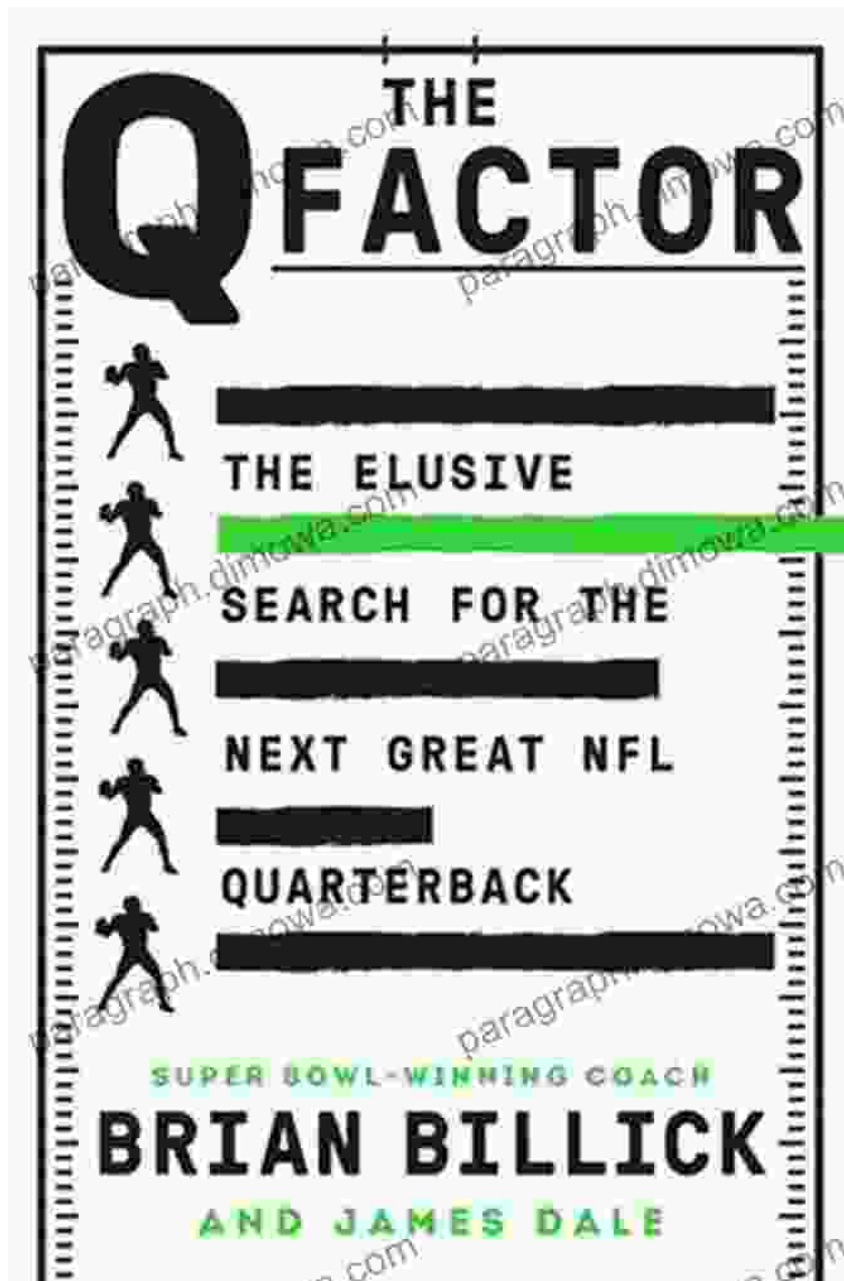

Kyler Murray is a smaller quarterback, but he has a lot of talent. He is very quick and has a good arm. However, Murray needs to improve his durability and avoid injuries. If he can do that, he has the potential to be a very good quarterback in the NFL.

Justin Herbert

Justin Herbert is a big quarterback with a strong arm. He is also very accurate. However, Herbert needs to improve his mobility and avoid sacks. If he can do that, he has the potential to be a top-ten quarterback in the NFL.

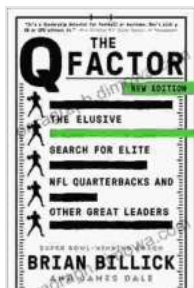

Trevor Lawrence

Trevor Lawrence is the most hyped quarterback prospect in years. He has a very strong arm and is very accurate. However, Lawrence needs to improve his decision-making and avoid turnovers. If he can do that, he has the potential to be the best quarterback in the NFL.

The NFL is full of talented quarterbacks, but there is still no clear favorite to be the next great one. The players listed above are all capable of reaching

that level, but they all have some areas that they need to improve. It will be interesting to see who emerges as the next great NFL quarterback.
