Dimensions : 8.25 x 0.49 x 11 inches

Jack London's *The People of the Abyss* is a seminal work of investigative journalism that exposes the harsh realities of life in London's East End slums. First published in 1903, the book is a harrowing account of the poverty, disease, and crime that pervaded this working-class neighborhood. London spent several months living among the poor of the East End, and his firsthand observations provide a vivid and unforgettable portrait of life on the margins of society.

The People of the Abyss is a powerful indictment of the social and economic conditions that created the slums of London. London argues that poverty is not simply a matter of individual misfortune, but rather a systemic problem caused by the greed and indifference of the wealthy. He calls for a radical transformation of society, one that would ensure that all people have access to basic necessities like food, housing, and healthcare.

The People of the Abyss is a classic work of social criticism that remains relevant today. The book's insights into the causes and consequences of poverty are essential reading for anyone who wants to understand the challenges facing our society.

The People of the Abyss Annotated

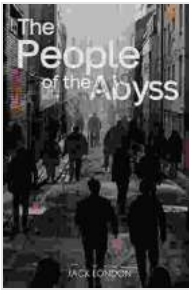

This new annotated edition of The People of the Abyss brings Jack London's masterpiece to life for a new generation of readers. The book includes:

- Stunning illustrations that capture the poverty and despair of the East End slums.
- An insightful that provides historical context and analysis of the book's themes.
- Extensive annotations that explain the book's historical references and provide additional information on the people and places London describes.

The People of the Abyss Annotated is the definitive edition of Jack London's classic work. This book is a must-read for anyone who wants to understand the history of poverty in London, the challenges facing the poor today, and the power of investigative journalism to make a difference.
