

Travels in the Greater Yellowstone: A Guide to the Wonders of the Region

Welcome to the Greater Yellowstone Ecosystem, one of the most awe-inspiring regions in the United States. This vast and diverse landscape encompasses two national parks—Yellowstone and Grand Teton—as well as several national forests, wildlife refuges, and other protected areas. The Greater Yellowstone is home to an incredible array of wildlife, including grizzly bears, wolves, bison, elk, and moose. It is also home to some of the most dramatic and beautiful scenery in the world, including towering mountains, pristine lakes, and rushing rivers.
