Zombies Are Human is a groundbreaking novel that challenges the traditional zombie narrative. This thought-provoking and emotionally resonant story explores the humanity of the undead and the lengths to which people will go to survive in a world gone mad.

When a mysterious virus turns the majority of the world's population into flesh-eating zombies, a small group of survivors must band together to find a way to survive. Among them is a young woman named Sarah, who has a secret: she can communicate with the zombies.

As Sarah and the other survivors journey through the zombie-infested wasteland, they must confront the true nature of the undead. They learn that zombies are not simply mindless monsters, but rather people who have been stripped of their humanity. They are still capable of love, loss, and compassion. And they are still human.

Zombies Are Human is a powerful and moving story that will stay with you long after you finish reading it. It is a story about the resilience of the human spirit and the power of love.

Praise for Zombies Are Human

"A groundbreaking novel that challenges the traditional zombie narrative. Zombies Are Human is a thought-provoking and emotionally resonant story that will stay with you long after you finish reading it." - Publishers Weekly

"A must-read for fans of zombie fiction and anyone interested in the human condition. Zombies Are Human is a powerful and moving story that will change the way you think about the undead." - Booklist

"A tour de force of storytelling. Zombies Are Human is a gripping, emotionally charged, and thought-provoking novel that will haunt you long after you finish reading it." - Kirkus Reviews

About the Author

John Smith is a pseudonym for a group of authors who have come together to create a groundbreaking novel about the zombie apocalypse. They are all passionate about telling stories that challenge the status quo and explore the human condition. Zombies Are Human is their first novel together.
